To Whom It May Concern:

My computer with trademark history and documentation crashed in December. Data, folders and files were unable to be restored or recovered. My computer has only been functional and operating since January 15<sup>th</sup>, 2010. As a result of this situation along with holiday and work obligations and engagements, I missed my "Time to Answer" deadline that was slated for January 6th, 2010.

Secondly, the former trademark owner, David Lomascola, informed me on January 21<sup>st</sup>, 2010, that a change of correspondence had been initiated because his phone number and email address was attached to the original document. As a result of this, I did not receive telephone and email notifications. A copy of the "Change of Correspondence" is enclosed dated January 21<sup>st</sup>, 2010.

Lastly, I have an ongoing situation with my postal delivery whereby hard copy material and/or registered mail is misplaced or lost in cluster mail boxes.

I do apologize for the delay.

Thank you.
